The staff at Ona Elementary celebrates Becky Harden by nominating her as the December employee of the month! Becky is a third grade teacher at Ona. This is her twelfth year working at our school, and has 25 years of teaching experience overall. Becky is exceptionally experienced, and has been recognized for her accomplishments in teaching. She holds a BA in Elementary Education, and is a twice recognized National Board Certified Teacher! Becky has two daughters, Emily "29" and Allison "27". Her favorite hobby is playing with her three-year-old grandson, Myles.

She says favorite thing about working at Ona is that, in addition to teaching at Ona, her family has a deep history with our school. Becky was an Ona Elementary School student, as well as many of her uncles, dad, brother, niece, nephew, and her own children! She shares that she always wanted to be a teacher at OES. The staff at Ona feels thankful for the excellence Becky brings to the third grade classroom, and we thank her for her hard work and accomplishments by nominating her as employee of the month!
