

2023-2024 Cabell County Schools Optional Damage Waiver Program Terms and Conditions

2023-2024 Optional Damage Waiver for Students

Cabell County Schools is offering an optional damage/loss waiver for our Student Tech Empowerment Plan. The annual (must be renewed each school year or if a replacement device due to loss is issued) fee is completely optional for those that want protection from expenses due to damage/loss/theft of the student-issued iPad or Macbook. If you choose to participate in the optional damage waiver program, Cabell County Schools will waive your financial responsibility above and beyond the deductible (see below) for each covered incident occurring to the iPad or MacBook in that school year.

To obtain a waiver:

1. Agree to the terms and conditions of the Optional Damage Waiver Program.
2. Please fill out the back of this form and send it to your child's school along with the payment.
3. Payments will be processed at the school via cash, check, or credit/debit card. Please make checks payable to Cabell County Schools.
4. The Damage Waiver does not take effect until your child's school receives the signed form and payment.
5. Existing devices must be examined by school personnel.

I hereby acknowledge that my child has been and/or will soon be issued an electronic device by Cabell County Schools for the sole purpose of enhancing his/her education and I am wholly and entirely responsible for loss or damage to this district-owned device. I will ensure that my child will use this device in accordance with all policies and procedures, bring it to school daily, and will do everything to protect it from damage, loss, or theft. In order to decrease the possible financial responsibility on myself for damage, loss, or theft, I fully accept the Cabell County School's offer to partially waive my financial responsibility for future damage/loss/theft, subject to terms, conditions, and deductibles outlined in this agreement and agree to pay the per school year fee based on device issued.
