

Cabell County School Employees:

Cabell County Schools has met with the following Healthcare Providers and recommend that all non-emergency treatment be sought at these facilities. They are aware of our Return to Work Policy and Light Duty Program. Walk-in patients, X-ray machines and Physical Therapy are just a few of the many services that are offered by these healthcare

providers. If possible, bypassing the emergency room for non-emergency related treatment will save you hours of waiting while still giving you the care that you deserve.

Preferred Healthcare Providers for Workers Compensation Claims

St. Mary's Occupational Medicine; 2827 5th Avenue, Huntington WV, 304-399-7858
Med Express Urgent Care; 3120 US Route 60 East, Huntington WV: 304-522-3627

LETTER TO PHYSICIAN

Re: Return-to-Work Program

To Whom It May Concern:

As a treating physician, your assistance is critical in the success of our return-to-work

appropriate following an injury or illness. Some key points we would like you to know are as follows:

- Our employee will provide you with an "accident package" at the time of their

initial treatment. This package will consist of this letter, and the following forms:

- a) **Attending Physician's Report** - this should be used to outline any

type of work restrictions. Please complete this form and send back

ATTENDING PHYSICIAN'S REPORT

Instructions- Give this form and the job function evaluation forms to initial medical provider.

Return completed form to Cabell POF Risk Manager
