Rain Date – Thursday, October 22, 2015

Secondary Schools

Wednesday, October 21, 2015

Rain Date – Friday, October 23, 2015

Please have staff on duty to assist the drivers with these drills on the designated morning. Although this activity is designed to protect our children in an emergency situation, there are inherent risks associated with the activity itself. It is important that we have help during the procedure to minimize the risk to each student. Thank you in advance for your cooperation.
